WORDS FROM THE PRESIDENT - KEITH BEARDEN (ALPHA TX)

Midwest 2016 was a wonderful time for Phi Beta Mu International. We had record attendance at our meeting, awards breakfast, and the executive secretary reception. The new board was eager to begin work in our Wednesday afternoon board meeting. New board members Travis Weller and Jay Watkins were congratulated and assigned to the public relations and commission committees. Appreciation was given to Keith Rudolph for his service to the board as his term expired. Rudolph worked tirelessly with our contact in Arizona, Mr. Raymond Laffin to kindle the excitement of beginning a new chapter. Kappa Zeta,

our newest chapter, is now a reality. President Bearden asked Mr. Rudolph to be the representative from Phi Beta Mu International and give the oath to the new members.

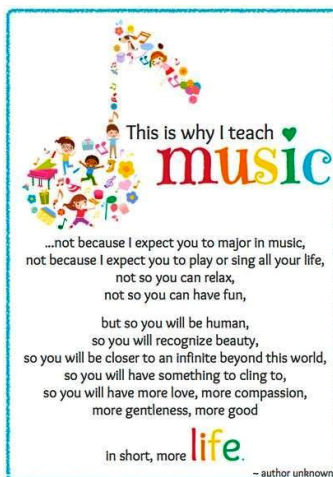

Also, our newest award, the Col Earl D. Irons Program of Distinction was presented to two schools. The recipients were Penn HS of Indiana and Austin Westlake HS from Texas. Congratulations to past president Paul Worosello and his committee for their wonderful work in developing the award and screening the applicants.

Our newest chapter additions are Brazil in '16 and Arizona in '17. We continue to reach out in hopes of establishing new chapters in Oregon and The Netherlands. Thanks to Elva Kaye Lance, chair of the extensions committee and Mrs. Sheryl Bowhay, communications chair, who will be developing these contacts.

I look forward to the 2017 as we continue to work not only on behalf of all Phi Beta Mu chapters, but also maintain our mentorship of younger directors. At the end of the day, we are about

helping the band students across the world. I want to sincerely thank each member of the board for their efficient work on the committees. Mike Townsend continues to set the standard for our fabulous newsletters. Thanks to Mike and his contributors to the newsletter. I never want to miss an opportunity to thank our international executive secretary, Mr. David Lambert for the incredible job he is doing! It is an honor for me to serve Phi Beta Mu International as your president. I hope to see YOU at Midwest next year!

Life, Love, Music,
Keith Bearden

PHIBETAMU NEWS & COMMUNICATION

Welcome to the PhiBetaMu International Feb 2017 edition and to my second year as editor. I survived the first year, a very time consuming but valuable task and look forward to another great year in PhiBetaMu News!

- *As decided by the International Board, PhiBetaMu will only publish three issues annually instead of four.*
- *The 2017 editions will approximate Spring Summer Fall and will be delivered to your inbox in Feb./June/Nov. of the current year.*
- *I am still in need of reports and/or publications from a number of Chapters. I wish to have at least something submitted from each and every Chapter to appear in at least one edition in 2017.*
- *Submissions to the newsletter need not be long nor elaborate; however, it is vital that all Chapters are represented. All Brothers & Sisters in PhiBetaMu are interested in the going's on of each and every Chapter. Please submit by the 25th day of the month prior to publication.*
- *PhiBetaMu International Newsletters are archived and can be accessed at www.phibetamu.org*

WELCOME TO OUR NEWEST CHAPTER - KAPPA ZETA (ARIZONA)

Upper Row (L-R) - Dan Bradstreet, Bud Hilditch, Scott Burgener, Rich Shelton, Jim Hudson, Keith Bearden, Melanie Britton, Bill Humbert, Anne Haenfler, Jennifer Hamilton, Jon Gomez, Brian Murphy, Frank Dubuy, Charles Musgrave, Milas Yoes, Ray Laffin/ *Advisor*, Clark Chaffee. **Lower Row (L-R)** - George Hattendorf/ *Board Member*, Ken Jaeger, Michael Willson/ *Vice President*, Peter Pappas, Margene Pappas, Bob Rudy/ *President*, Dennis Smith/ *Executive Secretary*, Renee Shane-Boyd, Chris Blue, Eric Haenfler/ *Board Member*, Keith Rudolph

Phi Beta Mu welcomes newest chapter, Kappa Zeta. The installation of Kappa Zeta took place on Saturday, February 4, 2017 at the Arizona Music Educators Association conference in Phoenix, AZ. International president Keith Bearden, and Keith Rudolph past international board member were on hand to conduct the ceremony. Mr. Rudolph gave the oath to 26 new members! Mr. Raymond Laffin, past president of Gamma

(Indiana) who now resides in Arizona, was the catalyst for organizing the chapter.

Through his efforts, qualified candidates were researched and invitations were sent.

Officers were elected and they are Mr. Robert Rudy, president; Dr. Michael Willson, vice president; Mr. Dennis Smith, executive secretary; Mr. George Hattendorf and Mr. Eric Haenfler, board members.

PhiBetaMu International welcomes our new brothers and sisters in Arizona! The tireless

efforts of brothers **Laffin** and **Rudolph** made this dream a reality.

KEITH RUDOLPH RECEIVES PBM PLAQUE OF RECOGNITION

President Keith Bearden presents Keith Rudolph with a plaque in recognition of his service on the Board of Directors for the past three year as Committee Chairperson of the Public Relations Committee.

In his final address to the membership, Keith Rudolph said; - "Our public relations effort is not isolated to a com-

mittee or an individual. The actions of both the International Board and our many chapters intertwine as we strive to promote bands and bandmen. As we continue forward, we need to continually seek more and better ways to help our chapters thrive and grow while getting our message out both to and beyond our membership".

EARL D. IRONS PROGRAM OF DISTINCTION – PAUL WOROSELLO

In December 2016, Phi Beta Mu International awarded two exceptional band programs by being presented as the first Earl D. Irons Program of Distinction recipients. Those programs are Penn High School: INDIANA, Glenn Northern, director (right) and Westlake High School: TEXAS, Kerry Taylor, director (left).

Phi Beta Mu is currently accepting nominations to recognize other, exceptional programs in December of 2017. The purpose of the **Earl D. Irons Program of Distinction Award** is to recognize those bands that exhibit and exemplify the founders' ideals of honoring superior achievement, moral uprightness, and promoting the international development of bands in order to challenge other groups to strive to attain these same levels of achievement.

An Evaluation Committee will be comprised of five Phi Beta Mu members from different chapters, overseen by someone on the International Board or International Executive Officers. Five committee members will be selected by the International Board from the list of names submitted by the individual chapters.

Each chapter is charged with selecting one person from their active membership whose judging experience enables an awareness of the standard to be met for this International award. That could be by chapter vote, selection by chapter officers, any process you feel will nominate a strong representative from your chapter.

This will create a pool of names from which the five evaluators will be selected. There will be no more than one representative from any single chapter.

Timeline

January – May: Chapters send in the name of their representative for the Evaluation Committee along with a Bio/Resume that attests to the nominee's qualifications. Send the name and supporting information to Paul Worosello by June 1st.

Beginning of June: International Board selects the panel of five evaluators from the submitted names. Letters are sent notifying the individual and that person's administrator(s) of their selection to this panel and thanking them in advance for their service and time to the fraternity and promotion of the best in bands and

best practices of our profession.

June 1 – August 15: (First Round) Evaluators will have access to MP3 files via Dropbox. Files will be labeled Band A, Band B, etc. to keep bands anonymous. Each evaluator will make a list of those bands they feel meet the highest level of performance of quality concert band literature. Any band receiving at least three votes (of five possible) will move on to the final round of evaluation.

August 15 – November 1: (Final Round) Evaluators will have access to video compilation and supporting documentation via Dropbox for those groups qualifying for the final round. Bands will now be identified, since anonymity will now be impossible to maintain. Judges will evaluate the video compilation and the supporting PDF documentation. Based on this material, each judge will compile a list of bands they feel are deserving of the award. If three or more judges feel a band is deserving, that organization will be honored as an Earl D. Irons Program of Distinction.

Winners will be notified by Nov. 1st with the presentation made during Midwest of that same year.

Band Program Nominations are being accepted from any Phi Beta Mu Member. DEADLINE - APRIL 30

THE WINGS OF MERCURY - PHIBETAMU COMMISSION DEBUT AT TMEAC

The Mineola Middle School Symphonic Band performed at the Texas Music Educators Association Convention having been selected as the 2017 Class 1C Honor Band for the state. On Friday, February 10, 2017, their concert included the World Premier of "The Wings of Mercury" by William Owens conducted by Melissa Grant Fisher. This 1.5 grade level composition is the third in a series of new works commissioned by PhiBetaMu International. Other commissions in the series are "O'Er the Land of the Free" by Johnny Vinson and "Homage to the Dream" by Mark Camphouse.

Program Notes - The Wings of Mercury - William Owens

In Roman mythology, Mercury is among the most recognized

(L-R) **William Owens - Composer, Melissa Grant Fisher - Conductor, Paul Worosello - International Immediate Past President**

of the ancient deities. He is known as the "messenger of the gods" with his winged sandals and playful spirit, could fly faster than other gods. Trustworthy yet mischievous, Mercury is the patron god of commerce, poetry, travelers, luck, trickery and thieves.

The Wings of Mercury is a musical portrayal of the whimsical, impish master of mirth. Beginning slowly with euphonium solo, the thoughtful introduction ponders the legend of this beguiling deity. The music suddenly becomes brisk, depicting swift and uninhibited flight. The melodic content passes seamlessly through various sections of the ensemble with an array of tonal colors as the winged messenger soars effortlessly with his flight coming to a final, brilliant finish.

PRESENTATIONS TO OUTSTANDING BANDMASTER AND CONTRIBUTOR

Outstanding Contributor to Bands, Chip Averwater of Memphis Tennessee, was presented with his plaque by Committee Chairperson Cathy Williams for his exemplary service to the band community. Mr. Averwater gave an inspiring and emotional address to the membership attending the awards breakfast and received a standing ovation. He is much honored to be selected as the 2016 Outstanding Contributor to Bands. Chip Averwater is the chairman

of Amro Music Stores, past president of NAMM, president of Play It Again Memphis and author of Retail Truths.

Outstanding Bandmaster, Colonel Akira Takeda the 13th commander of the Central Band of the Japan Ground Self-Defense Force, was presented with his plaque by Committee Chairperson Barbara Lambrecht for his fabulous work with Japanese Bands. Colonel Takeda gave an excellent address to the membership attending the awards breakfast and received a standing ovation.

He is very gracious to be selected as the 2016 Outstanding Bandmaster. Colonel

Akita Takeda is a member of the Japanese Band Directors Association and is an executive of the Japan Sousa Society. He was selected as an honorary member of the American Bandmasters Association in 2015.

PHIBETAMU RECEPTION FOR CHAPTER SECRETARIES AND PRESIDENTS

In 2016 the PhiBetaMu International Board hosted a reception at the Midwest

for Chapter Secretaries and Presidents. Much camaraderie and exchange of ideas

took place in the Hyatt Hotel juxtaposition to the McCormick Center.

2016 GENERAL ASSEMBLY MEETING – DAVID LAMBERT

Meeting was called to order at 7:45 AM with 76 in attendance from 14 chapters.

Following the invocation **President Keith Bearden** addressed the membership: "I welcome members of Phi Beta Mu and special guests today. Thank you for making the effort to attend. It is a distinct pleasure and honor to serve as your international president. PhiBetaMu was born in Lubbock, TX six blocks from where I attended school and from where I retired-Texas Tech University. PhiBetaMu holds a special place in my heart and has had a tremendous impact on my career. PhiBeta Mu continues to spread the good news beyond borders as we work with brothers and sisters across the country and around the world.

From time to time, I hear comments such as - "what has Phi Beta Mu done for me all we do is promise and swear". PhiBetaMu is like everything else which is good in life. You get out of it what you put into it. It's like band directing, you get what you expect. What greater joy, if only to see the excitement on a colleague's face as you sponsor them into our fraternity, signalling to them - "you've done well faithful servant". It is important to recognize "stars" in our field, both young and old. The common bond of music binds us all together in fellowship.

President Bearden then introduced the International Executive Secretary, David Lambert (Alpha Chapter) who administered the oath.

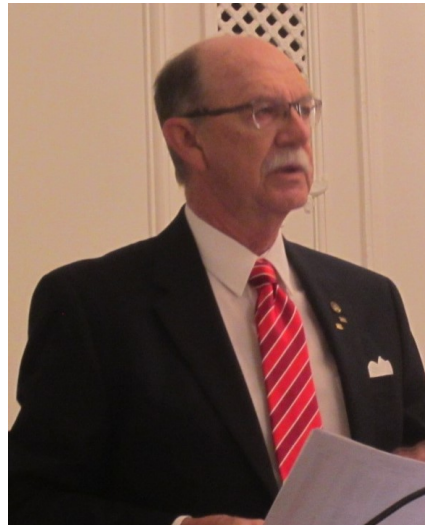

(The entire address is included in the 2016 General Assembly Minutes located in the "members only" section at www.phibetamu.org)

President Bearden then addressed old business: He indicated that the board has gleaned a lot of information from information gathered from surveys done by Keith Rudolph, Public Relations Committee, and continues to work on issues addressed in those surveys.

International still has several chapters in

arrears. Secretary Lambert is working on those. President Bearden reminded the membership implemented term limits for all board members that limited them to two three year terms. So, there will be an election every year. Please vote.

Secretary/Treasurer, David Lambert presented the secretary's and financial reports. He reminded the membership that the 2015 financial report is on the International web page and that once the December bank statement arrives, he will send the financials to the accountant and

will post the 2016 financial report to the webpage.

He also reported that the various chapters had presented eight "Outstanding Bandmaster", three "Outstanding Contributor to Bands" and Six "Outstanding Student" awards in the past year.

He reminded chapter presidents and secretaries of the reception at McCormick Place that afternoon.

Past President, Paul Worosello presented information on the Earl D. Irons Program of Distinction Award and introduced the Original Development Committee: Paul Worosello - Chair: ALPHA, TX, Barbara Lambrecht: ALPHA, TX, Cathy Williams: OMICRON, AR, Travis Weller: NU, PA, Joann Hood: ETA, TN.

He also announced the Selection Committee for 2016: Cindy Lansford: ALPHA, TX, Jackie Gilley: BETA Chapter, OK, Dana Hamant: IOTA Chapter, KS, Thomas Brown: ZETA, GA, Martin Dickey: THETA, SC.

He presented the names of the winning organizations for 2016: **Penn High School**: Mishawaka, IN | **Glenn Northern, Director** and **Westlake High School**: Austin, TX | **Kerry Taylor, Director**

The Phi Beta Mu Earl D. Irons Program of Distinction is open to all high school band programs. Director must have been at that program for at least the previous five years. Any member may nominate one program. The initial nomination occurs in confidence with the director unaware of the nomination.

Bands may be nominated at any time up to April 30 of the current academic year. Nominations are currently being accepted for the 2017 Award.

Barbara Lambrecht, Outstanding Bandmaster Committee presented her report. She told the membership that the 2016 winner was Colonel Akira Takeda, 13th Commander of the Central Band of the Japan Ground Self-Defense Force, and that he would receive his award at the Awards Breakfast following the General Assembly meeting. She then announced that Jerry Junkin, Director of Bands at the University of Texas, is the winner of the 2017 award.

Cathy Williams, Outstanding Contributor to Bands Committee, announced the 2016 recipient Chip Atwater, Chairman of Amro Music Stores in Memphis, TN. He, too, would receive his award at the Awards Breakfast. She announced the 2017 winner is Dennis Fischer, Associate Director of Wind Studies at the University of North Texas.

2016 GENERAL ASSEMBLY MEETING - CONTINUED

Rodney Bennett, Constitution Review Committee, reported the constitution revision was completed and approved in 2014. Amendments of term limits and honorary member revisions were approved in December 2015. The addition of language to allow the International Board to conduct business via electronic means between annual meetings was also approved at the December 2015 general assembly. There was no activity on the constitution in 2016.

Dwayne Sagen, Special Projects and Objectives Committee, highlighted the work submitted by various chapters:

DELTA Chapter, MS gave our International Executive permission to upload from their Chapter's Website, a Band Director Instructional Video onto the International PBM Website for all Chapters and members to view and use.

ETA Chapter, TN continues to nominate and choose the Tennessee All State Band Conductors performing at their annual TMEA Convention.

GAMMA Chapter, IN has several ongoing projects including: Mentoring to young (or new to Indiana) band directors; Podium Exchange where members trade a rehearsal with each other's band; and has a committee investigating starting a scholarship program.

LAMBDA Chapter, MO continues to sponsor and select the winner of the Claude T. Smith Memorial Composition Contest. This year they awarded the \$5,000 Prize to Robert Langenfeld of Shawnee, Kansas, for his composition, Spark!

MU ALPHA Chapter, AB, CANADA continues to sponsor a scholarship that supports a young band musician to attend the Canadian National Youth Band. This year's recipient, Jarett Jacobs of Didsbury, AB, a tuba player in his second year, Bachelor of Music program at the University of Lethbridge AB.

Members of MuAlpha are active in providing donations of cash and instruments to Orquesta Escuela de Puerto Vallarta in Puerto Vallarta, Jalisco, Mexico; a project initiated by Brother Barry Valleau.

Members of MuAlpha continue their support of band programs in Dominica, W.I. NU Chapter, PA continues to support and fund the Nu Chapter Scholarship awarded every year to a music education major. Nu chapter has begun the preparation to commission a piece for jazz band.

PSI Chapter, KY started a new project called the PhiBetaMu Concert Band Festival. Middle and High School Concert Bands across Kentucky were asked to submit applications to be featured performing ensembles at the event. From those applications, two middle school bands and four high school bands were chosen. They each prepare a thirty minute program to perform for an audience, and a featured clinician was there to both provide the students with feedback on the performance as well as to work with the bands on stage, giving the audience a clinic session. This past year, the featured clinician was Ray Cramer, Professor Emeritus from Indiana University. The festival was a huge success, and we have already seen this year a doubling of the amount of applications for our next festival with clinician, Dr. Paula Crider.

ZETA Chapter, GA is currently involved in a commission project with the composer/teacher, Jay Bocook. We commissioned Jay, led by our Brother Rich Bransco, to compose a level five overture. Through donations by our Zeta members and several band booster organizations, this has become a reality. The composition will be performed on Friday, Jan 27, 2017, at our Georgia Music Educators Annual Conference. The Georgia Wind Symphony, adult community band, conducted by Brother David Gregory, will feature "Down By The River," by Jay Bocook.

Keith Rudolph presented the Public Relations Report:

Our chapter profiles provide a thumbnail sketch of each chapter's history, activity, and membership. The profiles have proved to be very popular for those seeking information about our chapters in that the profiles allow members to see and gain inspiration from what other chapters are doing and give non-members who visit the site some insight on how our motto of *Life, Love, Music* is carried out in our various chapters.

In 2016 nine more chapters submitted a Chapter Profile so we now have information on these twenty-six chapters: Alpha, Texas - Alpha Chi, Virginia - Alpha Gamma, North Dakota - Alpha Theta, Nebraska - Beta, Oklahoma - Beta Zeta, Brazil - Eta, Tennessee - Gamma, Indiana - Iota, Kansas - Kappa, Colorado - Kappa Theta, Minnesota - Lambda, Missouri - Lambda Iota, Ontario - Lambda Zeta, Oregon - Mu, Ohio - Mu Alpha, Alberta - Nu, Pennsylvania - Omicron, Arkansas - Phi, New Mexico - Pi, Wisconsin - Psi, Kentucky - Sigma, South Dakota - Tau, West Virginia - Theta, South Carolina - Xi, Illinois - Zeta, Georgia

We encourage the remaining chapters to submit whatever information is available as we understand chapter records are sometimes incomplete: Beta Gamma, British Columbia - Delta, Mississippi - Epsilon, Louisiana - Lambda Alpha, Connecticut - Lambda Mu, Montana - Omega, Florida - Rho, Alabama - Sigma Chi, Wyoming

Public Relations Overview - Phi Beta Mu currently has initiatives that are having a very positive effect on the health (and PR) of our fraternity:

The board is striving to welcome all as part of an overall effort to improve attendance at our annual meeting.

The reception for Chapter Presidents/Secretaries has proved to be a pleasant,

2016 GENERAL ASSEMBLY MEETING - CONTINUED

low key opportunity for Chapter and International Officers to share ideas.

The revival of the Newsletter, now online under the leadership of Mike Townsend, has again provided us with a polished and professional source for chapter and member news.

The Earl D. Irons Program of Distinction Award, developed and administered under the leadership of Past President Paul Worosello, has given a new outlet of recognition for outstanding band programs, included more chapters in International activity through the selection process, and enhanced the Awards Breakfast with a larger gathering for those being honored.

Our *Learn from the Masters* initiative spearheaded by President Keith Bearden is both a great source of information for aspiring and established band directors to pick up tips from our heroes who reached the peak of our profession.

The efforts of Past President Sheryl Bowhay to see that the web is updated frequently encourages us to visit it more often as does the increasing breath of information housed there.

In all, Keith Rudolph said that our public relations effort is not isolated to a committee or an individual. The actions of both the International Board and our many chapters intertwine as we strive to promote bands and bandsmen. As we continue forward, we need to continually seek more and better ways to help our chapters thrive and grow while getting our message out both to and beyond our membership.

Keith urged the membership to go to the websites of the different chapters to see the many things that they are doing.

Elva Kaye Lance, Vice Pres., presented Extension and Special Projects Reports.

Extension Report - Brazil Chapter became a reality last February with a successful installation in Sao Paula, Brazil of

ten new members with Andre Oliviera elected as president of Beta Zeta Chapter.

Keith Rudolph has been working on the re-establishment of the Gamma chapter in Arizona; 8-10 directors are expected to be installed in a ceremony early in 2017.

Ike Nail is working to re-establish the Oregon Chapter and Sheryl Bowhay is working to establish a chapter in the Netherlands.

Special Projects - The audio interviews have been completed with the exception of Dr. Mallory Thompson. There are 22 recorded interviews of Outstanding Band Directors, plus an interview with Richard Crain, long-time executive secretary.

Phi Beta Mu is looking to formally provide assistance of resources and supplies to struggling band programs that might be identified around the world.

Jay Watkins presented the Commission Report - The Grade 1.5 composition written by William Owens entitled *The Wings of Mercury* is completed. The premiere performance is scheduled for the 2017 Texas Music Educators Association Conference and will be presented by Mineola Middle School, the 2017 TMEA Texas Class C Honor Band, conducted by Melissa Grant Fisher.

Our next commission will be a grade 5 work to be completed by December 2018 with a performance in 2019, hopefully at the Midwest Clinic. The International Chapter has funded the last two commissioned works and now are inviting all PBM chapters to assist with funding who would like to participate in a consortium.

Mike Townsend, presented the Newsletter Report - he said that he survived the first year of producing & editing the Phi Beta Mu International Newsletter! --- It is a time consuming but worthy task and I look forward to 2017. There will be "3 editions in 2017" and encourages all chapters to submit something for at least one edition each year.

Sheryl Bowhay, Website/Social Media Facilitator, presented her report stating that the website continues to be reliable and consistent. It has proven to be a resource for storage of records/documents and archiving information. It is a resource page, a source of communication between members, and an efficient execution of the fraternity's annual elections.

PhiBetaMu facebook, website and the newsletter draw attention to the human resources of our fraternity. PhiBetaMu is unique in its wealth of human resources and I believe that we should continue to focus on this strength.

Sheryl challenges each of you to view the facebook page, now 281 members, as another tool to engage our membership.

Membership Directory email addresses that are not current continue to be an issue. It must be the responsibility of the individual member to see to it that their email addresses are current.

President Bearden presented Keith Rudolph a plaque in recognition of his service on the Board of Directors for the past three year as Committee Chairperson of the Public Relations Committee.

The meeting was adjourned at 8:40 AM.

Editor: Complete minutes and the financial report are available in "members only" section of the PBM Website www.phibetamu.org
